Dear Miss Gregg:

On behalf of Edward E. Taylor Elementary School, I would like to thank you for spearheading the Reading Chain, and for coming in to read to our children. I realize that it was a service project for SCAGPO, however we are so grateful that your generosity to that organization extended to our school.

Miss Gregg, our teachers and students thoroughly enjoyed you reading to them. We heard nothing but good things from them all. We hope that if the opportunity arises, you will do it again.

Again, I thank you for your service. You are appreciated.

Sincerely,

Debbie R. Hunter

The mission of Edward E. Taylor Elementary School is to prepare every student to be a successful, contributing citizen in a global society by providing an effective and high-quality education.
