Do you at times feel that you can't think happy thoughts let alone smile and be nice? Yes the game of life is an amazing race.

If one more person asks me one more thing I'm going to scream! They want me to do what?! That's not how we use to do it. Are we ever going to get a raise? No, I haven't seen it and I didn't do it! Because I said so, that's why! I need a vacation! Do you ever have any of these thoughts? Do you sometimes feel as if there are days when customers, co-workers, family and friends just don't get it? This session will provide participants with practical ways to deal with past, present and future challenges that may interfere with one's ability to maintain a winning pace.
